If you are still not satisfied, or there is any other aspect you are not happy with, you must write to the director of Designed 2 Move (Mr. M. Bevers) within two weeks after the event.

Please write your booking reference number on your letter and include your daytime telephone number. Designed 2 Move is required to respond within 3 weeks after the complaint has been made. If you aren't satisfied with the solution Designed 2 Move offers, Designed 2 Move has an independent mediator that will give a final conclusion on the matter of both parties. All complaints will be treated confidentially. Complaints will be saved in our system as long as the complaint is relevant for both parties.

4. Health and Safety Policy

By attending the seminar you agree that it remains your responsibility for any activities or procedures that will be performed on you during the seminar. If you do not wish to participate in the activity or procedure you have the right to withdraw. Therefore Designed 2 Move cannot be held responsible for any consequences.

5. Accreditation

All of our seminar will be awarded with Continual Professional Development credits (CPD). CPD is a globally accepted standard for most (para)medical professions that require continuation in the development of the professional.

Designed 2 Move believes that once a seminar/course is accredited by a (para)medical profession, it is not desirable/necessary to go through another accreditation process for another profession, this because of the associated high costs for these procedures for a relatively small number of attendees for that particular profession.

When enough attendees of a profession that requires a new process for accreditation sign up for a particular seminar, Designed 2 Move will consider going through that process.
